

Sides for Blake and Michelle starts at the bottom of page 15 through page 17.

Everyone stands to their feet, gathers their belongings, and walk out the door, but not Michelle and Blake. They sit there still and silent -- glaring at each other until the last person exits the room and the door SNAPS close.

MICHELLE  
Why didn't you tell me that you  
were selling the company?!

BLAKE  
I'm not selling the company!

MICHELLE  
Then what are you doing and why the  
hell don't I know?!

BLAKE  
Because none of this has ANYTHING  
to do with you Michelle...

Michelle's eye's widen and her jaw drops.

MICHELLE  
Excuse me?! Blake I am your wife,  
and part owner of this brand. This  
has EVERYTHING to do with me, and  
NOTHING to do with Jessica. There's  
something going on between you two  
isn't it?

Blake, as if offended.

BLAKE  
No!

Michelle slams her hand onto the table.

MICHELLE  
Bullshit -- I can feel it.

BLAKE  
Seriously? I didn't tell you about  
a business venture so all of a  
sudden I'm cheating again?

Blake turns in his seat.

MICHELLE  
I saw the way you looked at her  
Blake.

Blake SIGHS.

BLAKE  
Look... Chelly, Jessica has been  
assisting me with everything for  
that past 7 or 8 months that you've  
been gone.

BLAKE (CONT'D)

Nothing more than business has ever taken place between us...

Michelle stares at Blake silently for a beat. Realizing that she may be over reacting.

MICHELLE

...Well... I'm back now and ready to work.

BLAKE

Chelly, you just got back. Why not just let Jess--

MICHELLE

I don't want her working this close to you! I don't trust her or you.

BLAKE

Well, I only expect you to do the minimum until you get back familiar with things Chelly a lot has changed!

MICHELLE

Minimum?! I've never done the minimum and I don't want to do the minimum. I want to get back in and show everyone I can do my job. You must've forgot who wrote the book we're celebrating now. It was me! Me Blake!

Blake scowls at Michelle.

BLAKE

I know! How could I ever forget with you throwing it in my face every chance you get?!

MICHELLE

So why didn't you mention me during your interview? Why?

Blake grabs his temples.

MICHELLE (CONT'D)

You knew how much it meant to me -- said you'd do it, but didn't, and then gave my credit to Jessica?! Why?!

Blake drops his head.
